

Building Care Kits for LOFT Clients

Building Care Kits is a wonderful way to spread joy to our clients while providing a fun way to make an impact. Many clients who move into our homes are in need of basic items such as toiletries and kitchen staples.

Below are just a few of the items our clients need. Collect items, package them in a zip lock bag or reusable cloth bag and we will distribute them to clients across our program locations.

Personal Care Kits

Shampoo, soap, deodorant, toothbrush, toothpaste, floss, body lotion, sunscreen, chapstick

Grocery Kits

Baking supplies and pantry essentials (pasta, rice, flour, spices, sugar), tea, hot chocolate, granola bars, cereal

LOFT will provide you with:

- A meeting with a LOFT fundraising team member to answer questions and share how your support will impact the community
- Thank you letter and tax receipt (if applicable)
- Photos from Care Kit drop off
- Recognition of your support in LOFT publications and social media platforms

LOFT is unable to arrange for delivery at this time.

Please call 416-979-1994 ext. #2033 or email fundraising@loftcs.org to set up Care Kit drop off.
