

Partnering with LOFT Community Services

Unlock the Power of
Collaboration

About LOFT

- LOFT was founded in 1953 to take over two half-way houses for youth who were leaving prison – that’s almost 70 years of impact!
- Today, we have 1,733 supportive housing units across 70 locations in Toronto, York Region and Simcoe County.
- We offer community-based support and services that are available to almost 9,500 youth, adults and seniors facing the most **complex mental and physical health challenges, addictions, dementia, or homelessness.**
- LOFT stands for “Leap of Faith Together” and we’re there to help the hardest to serve, and most vulnerable individuals in our communities.

from hospitals to
the community or
long-term care

How You Help

When you partner with LOFT, you help make real community impact that:

1. Reduces homelessness through a holistic, long-term approach that addresses the complex needs of each individual
2. Delivers positive economic impact and takes pressure off the healthcare system
3. Creates stability and hope by offering secure homes and support for people to live independently and with dignity

Fundraising & Employee Giving

Set a goal and chose how your team will raise funds:

- Host an event, trivia night, raffle or dress down day in support of LOFT
- Collect donations online and track your success
- Set-up payroll donations – LOFT partners with Benevity to make employee giving easy

Tip: Ask your President or CEO to match all employee donations, and offer prizes and incentives to get teams motivated

Volunteer Opportunities

- Build and deliver personal care or grocery kits
- Help with housing projects, like gardening
- Host a Speakers Bureau presentation from a LOFT client
- Plan life-skills workshops or social activities for clients through virtual or in-person events

Tip: Collect top needed items and host a team building event to assemble holiday care packages for LOFT clients

Your Experience

We're here to help create meaningful experiences for your members and community:

- ✓ A LOFT team member will work with you directly to help meet your goals
- ✓ Toolkits, templates and branded materials to help fundraising and spread the word
- ✓ Tax receipts for all eligible donations
